# ASSOCIATED STUDENT BODY

JASPAL GADDY: JUNIOR HIGH ASB ADVISOR  
KENT SMITH: HIGH SCHOOL ASB ADVISOR

The Fall Carnival on Friday, October 26<sup>th</sup> was a huge success! Students from various clubs had interactive booths including the Cake Walk, Fishing for Candy, Snow Cones, and Pumpkin Painting to name a few; our students looked amazing in their costumes and beautiful weather was enjoyed by all!

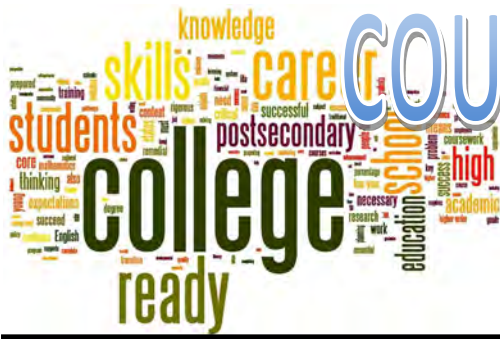

## October for High School ASB

October was a fabulously busy month in Student Government. Our amazing student leaders and commissioners put on a fantastic Homecoming spirit week, replete with dress-up days, special music with the bell system, powderpuff football, an outdoor rally on the ball field, and a beautifully decorated homecoming dance in the gym. October 18<sup>th</sup> had almost all of our ASB class at the post office long before dawn handing out breast cancer awareness bags for Think Pink day. The seniors, led by our own Cameron D., put on a spooky yet spectacular haunted house on October 20<sup>th</sup>, raising over \$800 to be divided between the senior class and those affected by the Carr Fire. October 24<sup>th</sup> ushered in Unity Day in orange, and October 31<sup>st</sup> was Red Ribbon day to emphasize drug and alcohol prevention. Finally, the Fall Carnival, put on by our (mostly) Junior High ASB class, was a tremendous success for the entire school to come together, play games, and raise funds for all of our clubs on campus.

Upcoming in November, we will be promoting the all-school canned food drive until **November 16**. Also in November is the much needed Thanksgiving break, before which our ASB class will enjoy a refreshing Thanksgiving meal pot-luck. Finally, upon our return to school, we will be assisting the administration to host the annual **Information Night** on campus.

## PANTHER PEER TUTORS

Our Panther Peer Tutoring Program is in need of 9<sup>th</sup>-12<sup>th</sup> grade students who would be willing to tutor after school. There are several benefits for becoming a Peer Tutor; it provides experiences that may help with employment, develops confidence and learning ability, and builds self-esteem and creates a sense of pride in helping others. Becoming a tutor is a great opportunity to give back to the U-Prep community. Peer tutoring also looks great on college and job applications. Contact Mr. Maikranz in the Student Services Center if you have questions about joining our Peer Tutoring Program team.

PSAT scores will be available to students online December 12<sup>th</sup>, 2019. Students can access scores at:

<https://studentscores.collegeboard.org/home>

After winter break students will also receive a paper copy of their scores!

## PEER MENTORS

The peer mentors class would like to invite 6<sup>th</sup> through 8<sup>th</sup> graders to the Spot on Tuesdays and Thursdays in room 133 to play games and meet new friends. We have lots of games, so if you are looking for something fun to do at lunch on Tuesdays and Thursdays, check out the Spot!

## FALL COLLEGE TRIP

On November 8<sup>th</sup> and 9<sup>th</sup>, junior students will be attending the annual Fall College Trip tour. We will be visiting CSU Chico, UC Davis, and UC Berkley. Permission slips and payment must be turned into the ASB office. If you have any questions regarding the College Trip please contact Mr. Maikranz. There are 42 spots available, so be sure turn in your permission slips ASAP. U-Prep offers an additional college tour in the spring.

## UNITY DAY 2018

On Wednesday, October 24<sup>th</sup>, U-Prep students and staff showed that they care about the safety and support of U-Prep by wearing orange in support of Unity Day. Unity Day was the day when everyone came together to send one large orange message of support, hope, and unity to show that we are together against bullying and united for kindness, acceptance and inclusion.

## AROUND THE GLOBE WITH U-PREP

### Japan 2018

U-Prep students got an up close look at Japanese culture and explored significant historical places in person in July of 2018. Students spent time interacting with Japanese students at a high school by participating in lessons and other school activities. Also, U-Prep students visited a variety of both Buddhist temples and Shinto shrines gaining new and deeper insight into the impact of these belief systems. Lessons from World History came alive as we peered into the moat surrounding the palace at Edo--once home the great unifier Tokugawa Ieyasu. Two years in the planning, this Cultural Connections club trip allowed students from around our area to experience a vastly different culture than our own and to share our culture with their Japanese counterparts. For many years, U-Prep's Cultural Connections Club has focused on connecting our local students with students from uniquely different areas around the world. Through service learning, they are able to enhance our global awareness and support compassion for a global community. ~World History Teacher, Amanda Elliott

### Math & Science Club (MASC) Field Trip

On October 22nd, Mr. Cory Poole and Mr. Brian Murphy along with 29 fantastic U-Prep students visited geographic hotspots in eastern Shasta County. It was mostly an Earth and Planetary Science themed trip as they visited the subway caves, the Hat Creek radio observatory, the Hat Creek fault, and Burney Falls. It was a great trip with lots of places and topics to explore. They were lucky enough to get a tour of the observatory by Sofia Prokop's (2010 alumni) mother who is working there. Ms. Klaseen even allowed the students take a look under the hood of one of the telescopes, which was amazing. They had lunch and a good hike at Burney Falls and were surrounded by beautiful fall color for the whole trip. ~Math & Science Teacher Cory Poole

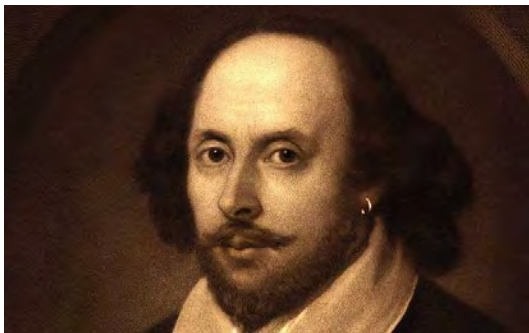

## AROUND THE GLOBE WITH U-PREP

### FRESHMAN TRIP TO PATRICK'S POINT 2018

It was a dark night as the intrepid freshmen set out upon their first night hike with their fearless leader Mr. Lefler. As they moved cautiously along the trail a faint voice of panic was heard... "I can't see if I don't turn on my flashlight." Quickly the group huddled around their leader for words of wisdom. Calmly Mr. Lefler told them not to panic, they must learn to use all of their senses when walking in the dark... They must understand the "space" around them... Reassured the group turned to set off on their way only to find that when Mr. Lefler turned around he'd run into a pole.

Barring the incident above, the Patrick's Point Trip this year was amazing. With fabulous weather, raccoon excitement and lasting friendships made this year's trip will be a memorable one for the freshmen. For some, their trip to Humboldt State University was their first glimpse into the college world they are preparing for, for others their first camping experience will be one that might just make them willing to try it again. The freshmen learned that when you hike with Mr. Lefler you will be going "the extra mile" since there's a pretty good chance you will be walking in a circle at some point. They also learned that when walking in Mr. Bakers group you always know what's on the other side of that rock because if he doesn't make you look under it... he will make you climb over or around it. Most found that the times they will remember the most was time spent with their friends down at Agate Beach running and playing in the sand and surf or when they were gathered around the fire being entertained by the other freshmen's skits.

As the trip came to a close they packed up and returned home with tired but happy smiles on their faces. They truly had a chance to bond together and become the class of 2022, one that will always be able to remember their first trip together to Patrick's Point.

## Oregon Shakespeare Festival

Please see the following page for more photos and text!

On a delightful fall morning, a group of young Shakespearean scholars set out to witness the Oregon Shakespeare Festival's interpretation of *Othello, the Moor of Venice*. Undeterred by the reading of the play in class, ninety seniors and four juniors witnessed the terrifying consequences of unrestrained jealousy. Commenting on the trip, Luke H. cryptically acknowledged, "We all knew it would end this way." When asked if he was referring to the play or their final visit to Ashland, he responded with a simple "Yes." In their free time before the play, students tend to enjoy Ashland's beautiful gardens, scenic walking trails, and epic playgrounds. Many seniors, with their feet in high school, their minds on the future, and their hearts in the past, found themselves making one last trip to the playground in Lithia Park. Overall, the trip was a time where the Class of 2019 learned a little about *Othello* while creating memories that will last a lifetime.

Leaves fall, seasons change

 In new lands we grow.

### The All New Panthercast

The Intro to Video Production class is back this fall with a whole new ambitious approach to the show. In past seasons the class focused on producing a single news-style show each week showcasing student celebrations and promotions. This year, the class has broken into more than a half dozen smaller teams, and each team is responsible for producing an original show celebrating or recognizing campus topics. Each Friday between 2-4 shows are uploaded, so the overall volume and variety of content is immediately noticeable. So far they have produced six shows:

1) Actually Alex: Alex offers unhelpful help to his viewers. He's fun to listen to, but we don't recommend you actually do what he says.

 [Subscribe](#)

2) Divine Comedy: James is trapped in U-Prep purgatory due to his poor deeds. In each episode he is taught by a new guru, in hopes that he will learn how best to live, and therefore escape purgatory.

 [Subscribe](#)

3) Sun-Klezman: Mark applies an admittedly odd 60s/70s retro musical approach to promoting campus events

 [Subscribe](#)

4) AV Man: The angry underdog quasi-mascot named AV Man is always angry, but it's only because he cares about making our campus a better, more enjoyable experience for all.

 [Subscribe](#)

5) If They Can Do It, So Can I!: Ethan finds students on campus with remarkable skills and achievements, then challenges them to see if he can do it better.

 [Subscribe](#)

6) U-Prep Commercials: This team is dedicated to making commercials so memorable, you can't help but attend the events they feature.

 [Subscribe](#)

7) Hot Lips: In each episode we interview a member of the faculty or student body to discuss a hot upcoming campus event, while drinking hot sauce.
