NATIONAL SCIENCE BOWL[®]

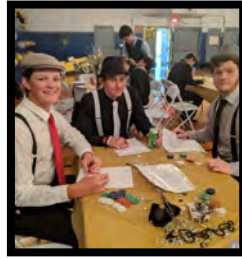

a competition like no other . . .

U-Prep's top high school science bowl team finished first in the regional science bowl competition at the end of February and won an all expenses paid trip to Washington, DC to compete in the National Science Bowl from April 24th through the 29th. They had a great time exploring the monuments and museums and attended talks by some of the top scientists of the US Department of Energy. In the competition they were a winner of their Division Team Challenge, which is a lab based activity where they were the most accurate at Dendochronology (geological dating based on tree rings.) As their prize they got to bring home a giant \$500 check for U-Prep's Science Department. Congratulations, Science Bowlers! Go Panthers!

News at the U

Gatsby Party 2019

In what has become a yearly tradition, the junior class converted the Hoosier Gym into a 1920s-style Gatsby Gala just before Spring Break. Mixing work and fun, the students discussed key ideas from their recent reading over refreshments. Many students got really into the spirit and adopted 20s style formal attire for the event as well--ranging from fancy suits to flapper dresses; although in a fun twist from recent years, some students chose to come dressed in bedraggled workers' clothing to represent the "Valley of Ashes" in the novel.

Although Mr. Bird's discussion questions were fine, most students agreed the highlight of the party was junior Joy S. giving swing dancing lessons with the assistance of her brother (and U-Prep alum) Coby. Students paired up and learned a simple and accessible partner-focused dance set to Benny Goodman's "Sing, Sing, Sing." Overall, the party was a fun way to bring their largest unit to a memorable close and to make memories together...inspiring them to continue questing after the green light, whatever that may be.

NSLI
FOR YOUTH
Scholarships to Study
Language Abroad

Please congratulate Tyler B. on winning a full-year scholarship to study in China. This merit-based scholarship provided by the National Security Language Initiative for Youth (NSLI-Y) of the US Department of State sponsors eligible high school students (ages 15-18) to learn less commonly taught languages in overseas immersion programs. Students in the program will not only go totally free, but also receive a monthly stipend. Competition in the past few months has been tough among the top 5% of the high school students from all over the country. Tyler won after surviving two rounds of screening plus a face-to-face interview. Congratulations, Tyler!

BEST U.S. HIGH SCHOOLS

U-Prep holds strong as top 1% in the nation:

National Rank - #427; State Rank - #57

The U.S. News rankings have been released!

Congratulations to U-Prep students and staff on remaining in the top 1% of high schools nationally! You are able to access complete information by selecting the following link: <https://www.usnews.com/education/best-high-schools/california/districts/shasta-union-high/university-preparatory-3431>

Congratulations to student Paras D! Paras earned a perfect score on the ACT Test. Paras joins the exceptional few test takers that were able to achieve a perfect score of 36. Kudos!

6th GRADE SCIENCE ACTIVITIES

On, Monday, April 8th, U-Prep 6th grade science students participated in the 2nd Annual Science Fair showcasing their Scientific Investigations. U-Prep participated with 3 other schools: Boulder Creek, Junction and Mistletoe.

1st place went to Mattea L.

2nd place went to Brookelyn B. and Bria T.

3rd place went to Muiz K.

A solutional cave or karst cave is a cave usually formed in the soluble rock limestone. It is the most frequently occurring type of cave. It can also form in other rocks, including chalk, dolomite, marble, salt beds, and gypsum.

What's a solutional cave?

April 26 and May 3 the 6th grade students visited Shasta Caverns. U-Prep is fortunate to have a solutional cave to explore and study within driving distance.

REDDING ROTARY SCHOLARSHIP LUNCHEON 2019

On Thursday, April 25, eleven U-Prep seniors had the honor of attending the Redding Rotary Scholarship luncheon at Riverview Golf and Country Club. Graduating seniors were chosen after interviews were conducted on campus by Rotary members. Each senior will receive a generous scholarship. U-Prep wishes to send Redding Rotary our heartfelt thanks for supporting our students in their future endeavors

ANNUAL SOPHOMORE TRIP TO OREGON

On April 10-12, the sophomore class ventured to Oregon. They started out their trip with a hike to Upper Table Rock to admire the views and abundance of wildflowers. On Thursday, students and chaperones were entertained by the musical *Hairspray* followed by the creative *As You Like It*. They rounded out their trip on Friday with a tour of Southern Oregon University led by none other than 2015 U-Prep graduate Sophia Miller!

SCIENCE BOWL 2019

The Science Bowl Team made it to Washington, DC Wednesday afternoon on April 24th, and explored the city. The closest metro station to Chevy Chase is in the DC neighborhood Friendship Heights, the students always like to have their picture taken under the sign (see photo on right). Great news! The U-Prep team won the Division Team Challenge ! For more complete information, please see page 2.

HIGH SCHOOL STUDENT GOVERNMENT

JASPAL GADDY: JUNIOR HIGH ASB ADVISOR
KENT SMITH: HIGH SCHOOL ASB ADVISOR

April in Redding. Will it rain or shine? Can we do activities outside for lunch or will we need to be indoors? These are some of the questions that drive our HS Student Government event planning. Thankfully, our biggest event needing good weather, Prom, was graced by beautiful sunshine and an exquisite sunset. On April 27th, 222 Juniors and seniors enjoyed taking photographs overlooking the majestic Sacramento River from the lawn beside the practice putting green at Riverview Golf and Country Club. Following this, they delighted in several hours of fine dining, fabulous music, and energetic dancing in the banquet hall decorated in the Asian theme, "Red Sails in the Sunset." The HS ASB students, led by the ever-creative Senior President Cameron D., came early and stayed late to decorate and prepare for the fabulous event. April also included application submissions for next year's Student Government class, which looks like it is shaping up to again be filled with talented, hard-working students. We all enjoyed a nice Spring Break in mid-April.

Looking forward to May, we will be hosting a Family Movie Night on the Football field May 10th, 8:00-10:00pm, showing the film "Bedtime Stories". Voting for class presidents and executive officers will take place in History classes May 6th. Interviews for Commissioner positions will commence after school May 13th and 14th. We will celebrate Students of the Quarter on May 23rd, then celebrate the last full day of school with Day on the Green on May 24th, from 2:30-4:30 pm. We will have obstacle courses, food vendors, yearbooks to sign, and fun activities.

END OF THE YEAR EVENTS!

May 10 – Family Movie Night—Football Field—8:00-10pm. Free Admission

May 23 – Student of the Quarter Awards in the Board Room.

May 24 – Day on the Green from 2:00-4:00 PM. We will have yearbook signing, several local food vendors, bouncy house activities, music, and carnival-style games.

May 31 – Graduation! 8th Grade Ceremony—3:30pm ~ Senior Graduation—8:00pm

DANCE TEAM

The U-Prep Dance Team's successful season continues. At the Dance League Convention and Competition in Lake Tahoe in April, the Dance Team brought home numerous gold medals and specialty awards. **Mrs. Holt's** numbers received "Creative Concept" and "Outstanding Choreography" Awards. Audrie R., Hannah H., Aunna H., and Dylan C. were awarded scholarships for future conventions. Audrie R.'s solo received the Top Score Award (Highest Scoring Point from the entire weekend) and Alyssa B. received the one and only MVP award, chosen by all of the teachers and judges from the weekend. The Dance Team has their final competition in Sacramento the first weekend in May.

SPRING DANCE SHOWCASE!

Students of the dance department have been enjoying their few assignments of the year. All of the classes are working on student choreography projects, and some of the more advanced classes are also working on teaching a class to their peers. The end of the year Spring Showcase will be held on Tuesday, May 14th in the Hoosier Gym. This is a free event, giving families and friends a glimpse into what dancers do in class every day. Warm-Ups, Across the Floor Progressions, and Students Choreography Projects will be performed. Dance 1-3 will be at 5:30 and Dance 4-6 will be at 7:00.

Band, Choir & Strings Program News!

The music department is extremely excited to see the school year come to a close. The end of the year means that we are in the process of going on trips and preparing for our final concerts which is always a lot of fun. The Strings program took several of their musicians in early April on a trip to Great America as well as the Santa Cruz Beach Boardwalk and had a blast. Soon, the band and choir students will be heading on their trip to Six Flags Discovery Kingdom and hope to have the same excellent weather the Strings students enjoyed.

These last few weeks will fly by in a blur and our music students are feverishly preparing for a series of free concerts that we hope you will take the opportunity to attend. The Strings and Drum Corps are scheduled to perform on Thursday, May 16th at 7:00pm in the Marr Auditorium, Choir students on Friday, May 17th at 6:00pm, and Band students also on Friday, May 17th but starting at 7:30pm. Please don't hesitate to invite all of your friends, family, relatives, and neighbors to join us as we celebrate another memorable year!

SAT <http://sat.collegeboard.org/home>

The College Board website is where students register for the SAT. The SAT essay section is optional now. It's strongly recommended that students register for the SAT with Essay. This website also provides comprehensive information and a helpful action plan for juniors and parents. Students applying for admission at a four year university/college should take the SAT or ACT the spring of the junior year. Students may submit 4 scores for free to the college/s of choice at the time of registration. Thereafter, SAT scores are submitted online from the SAT registration website to the college/s of choice.

SAT Subject Tests <http://sat.collegeboard.org/home>

These are hour-long tests in specific subject areas taken separately from the SAT to help determine college acceptance (please check the admissions website). Starting fall 2012, the UC System no longer requires two SAT Subject Tests as part of the admissions requirement; however, for competitive campuses and majors, it's recommended students take at least two SAT Subject Tests in related subject areas. Most private colleges require at least two SAT Subject Tests. SAT Subject Test scores are submitted online from the SAT registration website to the college/s of choice.

ACT <http://www.actstudent.org>

The ACT website is where students register for the ACT. This website also provides helpful college exploration information. Important note: The ACT writing section is optional. It's strongly recommended that students take the optional writing section. If you choose to take the writing component, you must select the optional writing test when you register. Students may submit 4 scores for free to the college/s of choice at the time of registration. Thereafter, ACT scores are submitted online from the ACT registration website to the college/s of choice.

SPRING COLLEGE TOUR 2019

On April 25-26, U-Prep juniors attended the annual spring college trip tour. Students and chaperones enjoyed tours of CSU Sacramento, Santa Clara University, and UC Santa Cruz.

After experiencing a variety of college culture, there was time for some fun and relaxation on the Beach & Boardwalk. Highlights of our campus visits included walking through the historical buildings on Santa Clara's campus, touring the athletic facilities, and having a personal admissions presentation. This trip was one that those in attendance won't soon forget. U-Prep offers tours in the fall and the spring to a assortment of college campuses. If your student is a current sophomore and would like to be involved in one of our college trips next year please be on the lookout for information on next year's junior college trip tours.

Event: Senior Awards Ceremony and Breakfast

When: Monday, May 20, 2019 (Breakfast at 8:00 a.m.; Ceremony at 9:00 a.m.)

Where: Breakfast – East Wing lawn; Awards Ceremony – Marr Auditorium

Who: Seniors, Parents, U-Prep staff, Junior Class, and Community Members

What to Expect: At the Senior Awards ceremony, community members will be present to share the history and purpose of each scholarship award. Some of the scholarships were created to celebrate the life of a family member or colleague and, therefore, carry significant meaning. Community scholarships are a labor of love which is why our sponsors look forward to joining us on this occasion. As such, we'd like to remind our seniors that it is important that they dress appropriately and in alignment with the school dress code.

Congratulations, Class of 2019**Who We Are - Our Vision**

University Preparatory School is a small, grades 6-12, college preparatory school committed to university level preparation in fine arts, literature, languages, history, mathematics, science, and philosophy.

Working together, University Preparatory School staff, parents, and community will offer students learning experiences needed to achieve their leadership and academic potential, to become creative thinkers, compassionate human beings, and ethical participants in a multi-cultural, democratic society.

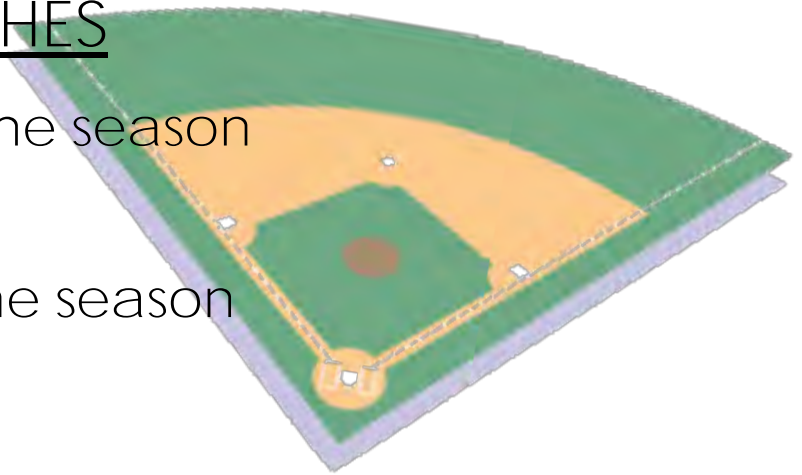

Students will be immersed in rigorous academics and meaningful extra-curricular activities and supported by a close-knit community of teacher/advisors, which will enable them to choose any course of post-secondary education.

Senior Stunt Athletes!

UPrep's STUNT team is small but mighty in its second season. This dedicated group of girls has competed stronger this year than in the first season, earning more points this season than last, and improving every game. It is a fun, difficult and humbling sport proving that teamwork and trust is essential for success in each game and in life! It is a pleasure to coach these girls!

SOFTBALL

The U-Prep Softball teams are winding their seasons down with last games against Anderson and West Valley. The Frosh/Soph team has an exciting new addition in Head Coach Ally Wimer. The Varsity team has battled through injuries and has recently welcomed back starting pitcher Kailey M after missing most of the season. The Panthers have relied heavily on Sophomore pitcher Addy B and all five seniors Alexis H, Sheetal B, Carley K, Ciara B, and Sierra C.

Our Frosh Soph team is working hard and getting 1% better each day. The girls are trying new positions and learning to love the game of softball. I am excited to see them improve and see where the sport takes them.

-Coach Wimer

In the Spotlight

CLIPPED FROM THE RECORD SEARCHLIGHT

U-Prep's ace is Dylan Cabral, a left-handed senior who leads the Northern Section in strikeouts. He has the fourth-best ERA (2.20) in the section out of pitchers with at least 40 innings thrown. Panthers coach Bradd Miller said he senses the relief from opposing coaches when they realize Cabral won't be on the mound. "Everybody knows who he is at this point," Miller said. "Even if (hitters) are on their game, there's a good chance he's going to be able to dominate." While U-Prep (17-10) competes in Division IV, Cabral has performed against small and large schools alike. He made a statement in his first game of the season, throwing a no-hitter with 10 strikeouts against Mt. Shasta. He also led the Panthers to a 4-3 win over Foothill, giving up 1 earned run and 3 hits in a complete game against the Division II team. Cabral's arsenal includes a fastball that hovers around 78-79 mph, a curveball and a split-finger changeup. Miller said Cabral has attracted attention from Simpson University and a number of local junior colleges.

U-Prep runner Damon Uribe was nominated for his performance at the John Frank Invitational. Uribe beat 26 competitors to win the 200-meter dash and took third out of 29 runners in the 100-meter dash.

AP RETREAT 2019

ADVANCED PLACEMENT (AP) RETREAT ~ READY, SET, GO!!

U-Prep's Annual AP Retreat will take place once again at Lassen Pines in beautiful Shingletown, CA. The AP Retreat is an intense weekend of content specific AP Exam prep combined with study time, group session studying and team-building activities. The foundation of the retreat is a series of AP Exam review sessions led by U-Prep AP instructors with a focus on one-on-one AP studying and preparation in small groups. Students were able to choose from a menu of AP review session options. Exam Review sessions were individualized by course and included development of course-specific study plans and unit-by-unit content review, practice exams, concept and vocabulary studying and review. One on one study time with each AP teacher in a smaller group setting was an added bonus.

END OF THE YEAR PREP AT THE

6th Grade

It's hard to believe that the end of sixth grade is quickly approaching! We have many exciting activities planned for our Panthers. On Friday, May 24, the class will participate in our tenth annual Ancient Civilizations Day where they will travel to the different civilizations we have learned about. We couldn't do this without the support of our wonderful parents and look forward to seeing them out there! For the last three days, our students will be going off campus to celebrate a wonderful year. Tuesday, May 28, we will head to Oasis Fun Center; Wednesday, May 29th, we're off to Viking Skate and on the last day of school, Thursday, May 30th, we will be at Water Works Park. For all of our field trips, we will depart from the front steps at 8:30am and students will need to be picked up at noon at the site of our field trips. We will not be transporting students back to school. We are extremely excited to share these wonderful activities with our students

7th Grade

On Friday, May 25th University Preparatory School's Seventh Grade Core will be hosting our annual Medieval Day right here on the U-Prep campus. The festival is a great opportunity for students to immerse themselves in the Medieval European culture, a focus of study in social science this spring. Our Medieval Day represents a "Medieval faire" and features a variety of organized activities and seminars that make this an enjoyable experience for all involved. These activities range from jousting, juggling and archery, to crafts and games. Turtle Bay will also bring several "Birds of Prey" and many medieval animals from their site for a dynamic presentation.

The last three days of school (May 29-31), the 7th graders will be attending fun-filled field trips to Oasis Fun Center, Viking Skate Country, and Water Works. Students will be coming home with more information

8th Grade

8th Westward Ways Day is happening May 29th!

An online sign up for donations and volunteers will be emailed home to each 8th grade family. This event is such a fun way to cap off the year, we always appreciate our parent volunteers!

On Tuesday, May 28th, U-Prep 8th graders will take their annual graduation trip to Golfland/Sunsplash theme park in Roseville where they will spend the day riding slides, mini golfing, and celebrating the end of an incredible time as U-Prep junior high students! On Thursday, May 30th, 8th grade students will have graduation practice in the Marr Auditorium from 7:50 AM until 12:00 PM.

FINAL EXAM SCHEDULE: MAY 2019

Friday, May 24, will be the last day of a regular class schedule for the second semester of the 2018-2019 school year. *On Tuesday, 5/28 through Thursday, 5/30, high school students will take final exams.* Junior High students will follow the same schedule *but will not be taking comprehensive final exams unless they are in high school classes;* the increased class time will be used for culminating activities.

East Coast/Eighth Grade Expedition - Summer 2020

Attention current 7th grade students: Plans are already being made for the 2020 eighth grade trip to the East Coast. Trip dates are June 7-13, 2020. Information with specifics and early bird discounts will be coming home soon. An information meeting will be held in May. Keep an eye out for an email from 7th grade core teachers with all the details. Early American historical sites and monuments will be visited. You won't want to miss this trip! Chaperones are always needed, interested parents are encouraged to sign up. Please email Shannon Bright for more information: sbright@suhsd.net

SEPA CLUB

Guten tag! This summer SEPA (Shasta Union High School District Educational Partnership and Activities) Club is traveling to Ireland, Scotland, and England. Looking to travel but this trip is just way too soon? We have another trip coming up for the summer of 2020! We will be making our way to Germany, Italy, Switzerland, and France. During this journey, we will be traveling to distant castles, uncovering the history of World War II, floating down the famous Venice canals, hiking through the Swiss Alps, and climbing to the top of the Eiffel Tower. Interested in joining us on this incredible adventure? Come to our informational meeting on Thursday, May 2nd at 5:30 with Mrs. Isheim and Mrs. Mello in room 135 or contact Mrs. Isheim at cisheim@suhsd.net for more information. Hope to see you all there! Ciao!

Parents' Guide to Required Immunizations

- **Diphtheria, Tetanus, and Pertussis (DTaP, DTP, Tdap, or Td) — 5 doses** (4 doses OK if one was given on or after 4th birthday. 3 doses OK if one was given on or after 7th birthday.) For 7th-12th graders, at least 1 of the doses of pertussis-containing vaccine is required on or after 7th birthday.
- **Polio (OPV or IPV) — 4 doses** (3 doses OK if one was given on or after 4th birthday)
- **Hepatitis B — 3 doses**
- **Measles, Mumps, and Rubella (MMR) — 2 doses** (Both given on or after 1st birthday)
- **Varicella (Chickenpox) — 2 doses**

In addition:

- The above requirements apply to new admissions and transfers for all grades.
- Personal beliefs waivers signed before 2016 are only valid until the 7-12 grade checkpoint - see shotsforschool.org.
- Medical waivers will be reviewed by the school nurse to ensure that they meet revised requirements. Please see shotsforschool.org for new requirements for Medical Waivers.
- California schools are required to check immunization records for all new student admissions at TK/Kindergarten through 12th grade and all students advancing to 7th grade before entry. Parents must show their child's Immunization Record as proof of immunization.

PUBLIC NOTICE

May 3, 2019

NOTICE OF PROPOSED PERMITTING OF AIR CONTAMINANT EMISSIONS LOCATED WITHIN 1,000 FEET OF A SCHOOL

The Shasta Union High School District located at 2200 Eureka Way, Redding CA is seeking approval for the authority to install a diesel-fired emergency standby generator. This engine is for emergency/standby use and will only be in operation during power outages, periodic testing, and maintenance. The emergency generator will sustain the essential equipment to continue serving the community in the event of a commercial power outage.

The Shasta County Air Quality Management District (District) is required by Section 42301.6 of the California Health and Safety Code to issue a public notice and to notify parents of students attending schools within ¼ mile and all other addresses located within 1,000 feet of a source that emits any hazardous air emissions. This notice is intended to inform you of this facility request.

The District has evaluated this project and has determined that the total potential health risk and air quality impact from the emissions is insignificant. This facility's permit to operate application has been reviewed and the proposed engine and engine operation will be in compliance with all District rules and regulations. Comments on this project will be received by the District for a period of 30 days from the date of this notice and will be considered prior to taking final action on permitting the facility.

The information for the facility, supporting documents, and the analysis of the air quality impacts of this project are available for inspection at the District office located at 1855 Placer Street, Suite 101, Redding, California, during regular business hours.

For further information on this project, please call Air Pollution Inspector, Kyle Willard at 530-225-5674.

This flyer is being distributed solely for informational purposes as part of the District's limited open forum policy. The activity and organization and/or individual named herein are not sponsored by the school or District. Participation in any of the activities described herein is at the risk of the participant. The District is not responsible for the accuracy of the information contained herein.
