## SCIENCE BOWL CHAMPIONS!

The 2021 Far Nor Cal REU Science Bowl was held virtually this year on Saturday, March 20th. U-Prep junior high and high school teams competed from classrooms on campus via Zoom against teams from Redding Christian, Foothill High School, Shasta High School, and St. Bernard's Academy. Both U-Prep teams competed in 3 rounds during the day and emerged victorious. U-Prep junior high beat Redding Christian, 44-32, and U-Prep high school team beat Foothill High also with 44 points. High School Coach, Cory Poole congratulated the teams and expressed gratitude to U-Prep math and science teachers for contributing to the team's knowledge and enthusiasm for these subjects. The teams and coaches are excited to participate in Nationals on May 8th, when U-Prep will compete virtually against teams from across the United States!

**Mission & Vision**

University Preparatory School is an educational community invested in developing confident, capable, and compassionate citizens; its mission to immerse all students "in rigorous academics and meaningful extra-curricular activities" is supported by a collaborative and close-knit community of staff, students and parents and is based upon educational research and professional experience. The faculty and staff work together to provide students with many opportunities to excel academically and develop their potential as educated leaders and citizens in the 21st century through a rich and varied extra-curricular program. This vision is supported by offering a seven- period day to students from grades 6 through 12 so that they may pursue academic interests, such as studying multiple world languages or continue their development in the arts, including dance, drama, art, and music. The objective of this mission is to enable all students to become self-motivated, competent, and lifelong learners.

Let us take you on a journey back in time as we celebrate 16 years of U-Prep musicals in our spring musical review, "U-Prep's Sweet 16 ~ 16 Years, 16 Shows, 16 Curtain Calls". The directors, cast, and the U-Prep Musical Foundation are excited to bring this opportunity to showcase our students' talents on stage at the RSA amphitheater on April 23rd and 24th. For our seniors, this will be their final opportunity to take part in a U-Prep production. If you or your business would like to be a show sponsor, please contact Kari Reed in the U-Prep main office or visit [uprepmusical.org](http://uprepmusical.org). Like us on Facebook; U-Prep's Fall Musical, for upcoming information about the show.

## Dance

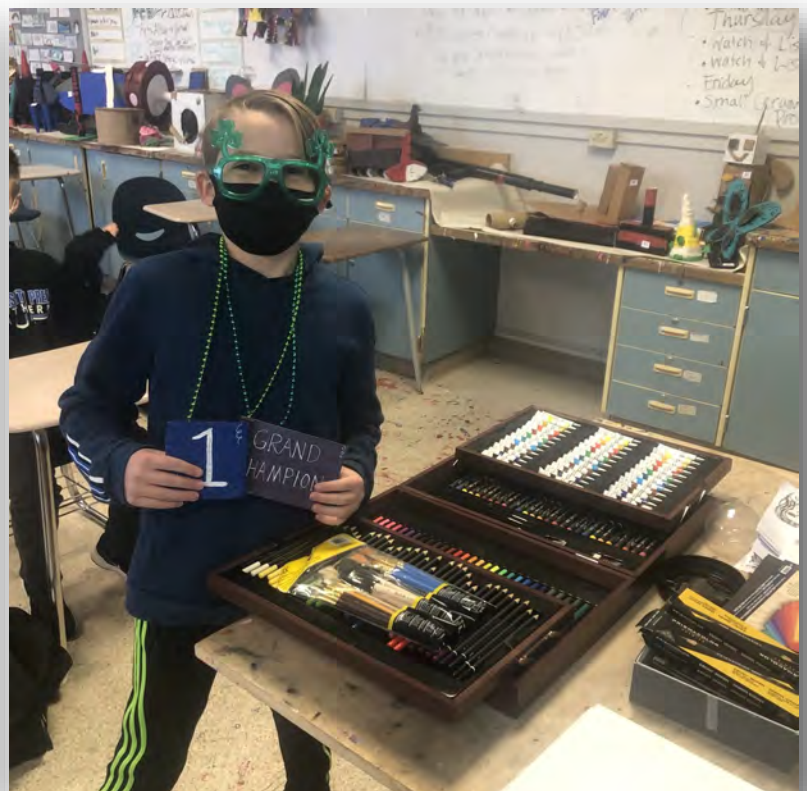

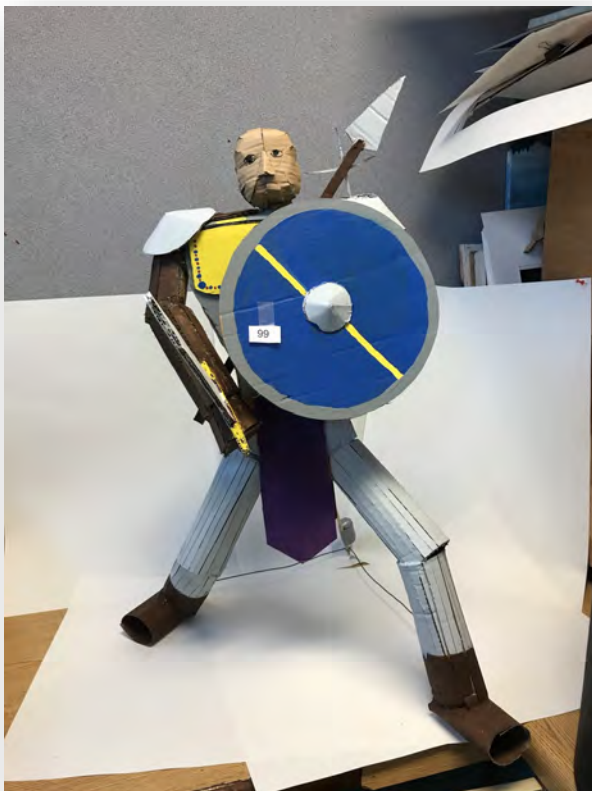

The U-Prep Dance Team had a blast performing on the field for the first home football game of the 2020-2021 school year! Competition season begins April 15th with a competition in San Francisco. Preparations are under way for the Dance Department's annual production of Just Dance! Details are forthcoming. Sixteen U-Prep dancers will be performing in U-Prep's musical review, "16 Years, Shows, Curtain Calls", April 23-24.

CARDBOARD ART CONTEST

On March 8th, Ms. Wilhelm transformed her classroom to an art gallery, providing a worthy space to showcase her students' art using cardboard as the medium. Staff members were invited to visit the classroom/art gallery and vote via a QR code for their favorite art. While all projects were amazing, one project won out of many.

Congratulations to 6th grade student, Ben Twombly for winning first place! Ben's art is on display in the main office.

### CURRENT HAPPENINGS

Junior High ASB have been working on spreading kindness as we head into spring! Using the **United Way's** Kindness United campaign as inspiration, students created personalized rocks for each staff member along with placing rocks all around campus with positive images. Students also created **St. Patrick's Day** and spring-themed cards for various senior care facilities in Redding. Future plans for campus include ASAP Class Contests where junior high students are awarded points after meeting challenges. The class with the highest points for each grade level will be declared winners and will receive a party of their choice. Junior High ASB will be hosting an Egg Hunt on Thursday, April 1, prior to spring break. More information to come!

### Rotary Freshman of the Year

Congratulations to U-Prep sophomore, Emma Gaddy, for receiving the honor of Freshman of the Year from West Redding Rotary. Emma was chosen for the 2019-2020 school year, but was unable to receive the award during the last school year since shelter-in-place orders had taken effect. Rotary felt strongly that while the award is presented belatedly, it remained important to honor students. A luncheon was held at Riverview Golf and Country Club on Wednesday, March 23, 2021. Emma was accompanied by her family as well as Assistant Principal Rochelle Angley and high school counselor, Kristen Mason. The purpose of the program is to provide a positive and encouraging award to a freshman that has excelled as a student, academically, through extracurricular activities, sports, student government or community civic involvement. Rotarians recognize these students at a young age so they will maintain their leadership qualities throughout high school, college, and eventually their community.

*Congratulations, Emma!*

## U-Prep Varsity Girls Win Shasta County Cross Country Championships!

U-Prep Cross Country sent the season out in style with dominant performances against nine different high schools from Shasta and Tehama Counties.

The Varsity Girls claimed the Shasta County Championship led by Becca Gaido who battled it out with Red Bluff High's top senior runner and ran away to win the individual title by 24 seconds. U-Prep girls packed their top 5 runners in the top 6 positions with Grace Gaddy, 3rd place, Serena Tate, 4th place, Emma Gaddy, 5th place, and Hannah Cusworth, 6th place. Our two varsity boys did amazing in a race of 31. Isaiah Feaver came in 3rd place overall and Nolan Roemmich, 8th place. They both had Personal Records by over a minute! Both athletes will return in the fall and look to be leaders in the Northern Section next year.

In the Boys Open Race Ben Cusworth took home a medal for placing 5th overall in a race of 31 and set a personal record by 2 minutes! In the Open Girls Race Ari Tucker also set a personal record by 1 minute 23 seconds. The future of U-Prep Cross Country is bright!

## Cheer News!

On Friday, March 19th, U-Prep's JV and Varsity Cheer teams finally hit the sidelines to do what they love the most - cheer for their team and perform at halftime! It was a chilly night to start the season, but the team persevered to show off the skills they have been waiting all year to be allowed to perform. With just over three weeks of stunting practice, the team did a great job. U-Prep Cheer looks forward to an amazing season and for the next two performances at home on April 2nd and April 16th. This season has been a long time coming, and the team plans on taking full advantage of every minute! Go Panther Cheer!

### Lions Club Speech Contest

Every year the Lions Club hosts a teen speech contest, giving students the opportunity to explore complex topics while vying for college scholarship money. Although originally cancelled, in late February it was announced the Lions Club speech contest was happening thanks to the improved COVID-19 numbers statewide. This year's prompt, appropriately, was: "Distance and Online Learning: Pros & Cons." Since the surprise announcement left only two weeks for students to write and rehearse their speeches, the five U-Prep contestants were the only students participating at the club level.

The students all took very different approaches to their speech. Rebecca Horrick (10), Olivia Crawford (11), Liana Funk (11), and Olivia Fong (11) all delivered speeches. Rebecca Horrick's speech reflected on the power of student connection best achieved in person, such as her experience with the swim team, while Olivia Crawford chose to base her speech on Vygotsky's Zone of Proximal Development, which she learned about in Ms. Kramer's AP Psychology class. The judges ultimately selected Karley Tioran (11), to advance to the next level, which felt appropriate since she was the contestant who had spent the most time as a distance learner. In her speech, Karley shared how fulfilling her life in Distance Learning was; for example, it had given her the freedom to explore new hobbies like oil painting.

Each contestant received a \$25 check, and the winner received \$100, plus the opportunity to advance to the next level at the end of the month.

Junior, Karley Tioran, performed her speech at the Zone level on Saturday, March 27, uncontested. Despite some technical difficulties, she persevered and did not allow impediments to diminish her resolve. The judges were very impressed with her composure! Karley will compete at the region level in Weaverville against other competitors from the north state on April 16th. If she wins the regional competition, Karley will move on to the District competition.

### Mathcounts Chapter Invitational Results

Congratulations to all Mathcounts team members for their participation in the Mathcounts Invitational Tournament! U-Prep 8th grade student, Sean Kim earned 1st place and is headed to the State Tournament. Joining Sean at the State competition is U-Prep 8th grade student, Zoe Taylor who placed 5th in the Invitational. Joshua Kim and George Neill earned respectable 7th and 8th places.

### PEER TUTORING OPPORTUNITIES

The Panther Peer Tutoring Program is in need of 9th-12th grade students willing to tutor during a free period, study hall, or before school. There are several benefits to becoming a Peer Tutor; (1) It provides experiences that may help with employment; (2) Develops confidence and learning ability; (3) Builds self-esteem; and, (4) Creates a sense of pride in helping others. Becoming a tutor is a great opportunity to give back to the U-Prep community. Peer tutoring also shows a willingness to serve others, which is helpful for college and job applications. Contact Mr. Maikranz in the Student Services Center if you have questions about joining our Peer Tutoring Program team.

## PSAT/NMSQT®

**CollegeBoard** / **NATIONAL MERIT SCHOLARSHIP CORPORATION**

On Monday, March 1st, U-Prep 8<sup>th</sup> grader students took the **PSAT™ 8/9**. The PSAT is a pressure-free way for students to begin exploring their path to college and a future career. The test assists students with:

1. Recognizing strengths. A personalized online PSAT 8/9 score report will include **detailed information about your student's** strengths and areas for growth. It assists students in leaning into areas where they excel and identify places where there is room for growth in order to be ready for college.

2. Exploring future careers. Students can explore college majors and careers that align with their personal interests with Roadmap to Careers, a unique online tool created by Roadtrip Nation and the College Board. The tool connects students to potential careers based on interest, showing where they can lead.

3. Choose high school courses. Knowing where students excel and what skills they may need to focus on can assist them in their choice of other 9th- and 10th- grade classes. In addition, **students' score reports will suggest AP® courses** that are beneficial. AP classes may provide your student an advantage in the admission process as well as allowing them to earn college credit while in high school, which could save time and money in college.
