The Spring Play Springs Back!

The Spring Play, Clue, was a tremendous success. With sold-out shows every night and standing room only, the audience couldn't get enough of those crazy characters. As Mrs. Dempsey's first play to direct, she felt as though it went incredibly well for her directorial debut! Which wouldn't have been possible without the immense work the students put into the show. They overcame so many obstacles in order to make this year's production a success, and a success it was!

"...the energy and excitement are overflowing with this cast and the show itself is captivating."

~Music Teacher & Department Chair, Brad Fowers

"It was an amazing show! Not to be missed."

PSAT™ 8/9

On Monday, March 14th, U-Prep 8th grade students took the **PSAT™ 8/9**. The PSAT is a pressure-free way for students to begin exploring their path to college and a future career. The test assists students with:

1. Recognizing strengths. A personalized online PSAT 8/9 score report will include detailed information about your student's strengths and areas for growth. It assists students in leaning into areas where they excel and identify places where there is room for growth in order to be ready for college.
2. Exploring future careers. Students can explore college majors and careers that align with their personal interests with Roadmap to Careers, a unique online tool created by Roadtrip Nation and the College Board. The tool connects students to potential careers based on interest, showing where they can lead.
3. Choose high school courses. Knowing where students excel and what skills they may need to focus on can assist them in their choice of other 9th- and 10th- grade classes. In addition, students' score reports will suggest AP® courses that are beneficial. AP classes may provide your student an advantage in the admission process as well as allowing them to earn college credit while in high school, which could save time and money in college.

 Competition
 March 4 - April 9*

Congratulations to the following U-Prep students! Their artwork was selected to be on display at the Shasta County Arts Council Annual Juried High School Art Competition. Out of 400 artworks entered from 12 local high schools, only 147 pieces were selected for this year's show. Out of the 147 works selected, 27 pieces on display are representing our school. Ms. Wilhelm is extremely proud of her students!

U-Prep's Dance Department's 13th annual Just Dance! held this month over three evenings, with over 110 performers dancing to a packed Marr Auditorium! Beautiful costumes, outstanding lighting, phenomenal choreography, and talented dancers made the performances so much fun to watch. Thank you to all who came out to support the U-Prep dance program!

The U-Prep Dance Team has had a phenomenal competition season so far. They continue to win top awards, overall placements, and specialty awards. A couple highlights are being named the "Top Studio of the Year" at TEAM Dance Competition in Sacramento and Anna Linch winning the title of Miss Dance at the Kids Artistic Revue Competition, also in Sacramento. The team has two competitions left and have no intention of slowing down!

ASB

ASSOCIATED STUDENT BODY

In High School Student Government, students enjoyed a busy March. ASB kicked off the month with a very successful blood drive, in which our amazing students donated 16 units of blood, exceeding our goal of 15! It's great to have so many community-minded young people at U-Prep. The majority of the month, ASB students were preparing for Winter Spirit Week that kicked off March 14-19. Replete with great dress-up days for school spirit, a rally on Friday in the gym, and the semi-formal dance with the theme, "Enchanted Forest", it was fantastic to have a "normal" spirit week after Covid delays and cancellations. The highlight of the rally had to be the staff vs. students basketball game, in which the students pulled out a win in double overtime.

Looking forward to April, students are anticipating the much needed spring break, then Junior/Senior Prom on April 23rd. The prom will be returning to Riverview Country Club, a venue that has always been a highlight for the upper-classmen.

JUNIOR HIGH ASB

Our winter (spring) spirit week, rally, and semi-formal dances were a huge success!

Students enjoyed the various dress up days and really got creative with their costumes this year. The rally included high energy and fun games with the 6th graders winning the cheering contest (again!).

The 7th/8th grade semi-formal was attended by 200 of our students who socialized, ate yummy desserts, and showed off their amazing dance moves in a huge dance circle at the end of the evening.

We are looking forward to our next middle school dance on Friday, May 13 in the quad and celebrating our Yearbook release on Friday, May 20. More details to come as those events get closer.

ATHLETE OF THE WEEK

March 16, 2022

Sponsored by: Shasta Family YMCA

Aaron Wood (U-Prep)

Junior Aaron Wood made his first start of 2022 a game to remember. Wood threw a 7-inning no hitter against CIF Northern Section Division III title contender Red Bluff on the road. Wood pitched all seven innings, struck out three batters and tossed the first confirmed no hitter since Conor Fitzgerald accomplished the feat in 2013. Wood's outing was the first 7-inning no-hitter in school history, according to athletic director Steven Schuster.

Panther Softball is off to a great start this season. Currently 6-3 in preseason and looking forward to kicking off league with West Valley at the beginning of April. At the beginning of the season, 4 players were recognized in the Record Searchlight top 30 to watch. Kaitlyn, Megan, Gracie, and Sophia are all very developed players who deserve the recognition. There is so much growth in this program and this team, and we look forward to competing in league this season. It is always a great day to be a Panther on the softball field.

Congratulations to Rogue C., Bella S, Noah G., Chris W., Frankie N., and Lucas S. for being the John Frank NorCal One Mile team champions. They were the first team out of 17 total teams. Frankie was the overall winner and Rogue was the first female. All UPrep runners finished in the top 20 out of 112 runners. They are extremely impressive and hard working young people! We can't wait for track season!!!

STUNT!

Last month U-Prep's STUNT team took to the mat at the winter rally to show off the toughest, newest, all-girls sport, and in the last couple of weeks they participated in their first scrimmage and game. U-Prep has had a STUNT team for five years, but due to COVID-19 it is only their third year competing. Even though this is a brand new team to STUNT, with no returners, this year is shaping up to be one of their best! If you'd like to see what STUNT is all about, come support us at our home game on April 7th at 5:30 PM in the Stuart Gym.

Odyssey of the Mind

Congratulations to the U-Prep junior high and high school Odyssey of the Mind teams. Their competition was on March 5 but it took a while to find out the results. The junior high team took 2nd place in the regional competition in Sacramento and the high school team took 1st place! Both teams were invited to participate in the state competition, unfortunately they are unable to attend. Not pictured in the junior high team is Oren Ford-Decker and not pic-

U-Prep School Mission & Vision

University Preparatory School is an educational community invested in developing confident, capable, and compassionate citizens; its mission to immerse all students "in rigorous academics and meaningful extra-curricular activities" is supported by a collaborative and close-knit community of staff, students and parents and is based upon educational research and professional experience. The faculty and staff work together to provide students with many opportunities to excel academically and develop their potential as educated leaders and citizens in the 21st century through a rich and varied extra-curricular program. This vision is supported by offering a seven- period day to students from grades 6 through 12 so that they may pursue academic interests, such as studying multiple world languages or continue their development in the arts, including dance, drama, art, and music. The objective of this mission is to enable all students to become self-motivated, competent, and lifelong learners.

UPREP NEWS
