

# PANTHER PRIDE

ROCHELLE ANGLEY, SUPERINTENDENT/PRINCIPAL

Dear U-Prep Families,

Cheers to the U-Prep community for starting the new year off strong! After enjoying a rejuvenating winter break, staff and students are energized and filled with enthusiasm at the prospect of a second semester filled with robust academics, creative performing arts opportunities, and exciting athletic competitions.

First semester academic awards were distributed to honor roll students in January and as always, it is so rewarding to see so many of our students recognized for their efforts.

Thank you to our Student Government advisors, Jaspal Gaddy (junior high) and Robyn Johnson (high school) and their amazing ASB students. They have worked tirelessly to provide an amazing Winter Spirit Week for our students and staff, with the theme of The Ultimate Heist. It has been a fun-filled week with scavenger hunts and dress-up days, culminating with a rally on Friday and semi formal dance on Saturday.

February will be a busy month for our VAPA (visual and performing arts) department. We are looking forward to the Celebration of the Arts, the Concert of the Absurd and the highly anticipated Talent Show.

On the court and on the field our sports teams are experiencing some amazing winter season success. Playoffs are right around the corner and we can hardly wait!

Our newsletter serves to showcase our students, staff and their exciting endeavors. We hope you enjoy this month's edition.

Sincerely,

*Rochelle Angley*

Superintendent/Principal

## Mission & Vision

University Preparatory School is an educational community invested in developing confident, capable, and compassionate citizens; its mission to immerse all students "in rigorous academics and meaningful extra-curricular activities" is supported by a collaborative and close-knit community of staff, students and parents and is based upon educational research and professional experience. The faculty and staff work together to provide students with many opportunities to excel academically and develop their potential as educated leaders and citizens in the 21st century through a rich and varied extra-curricular program. This vision is supported by offering a seven- period day to students from grades 6 through 12 so that they may pursue academic interests, such as studying multiple world languages or continue their development in the arts, including dance, drama, art, and music. The objective of this mission is to enable all students to become self-motivated, competent, and lifelong learners.

# AMAZING!

Special kudos to Sydney Ahern! The U-Prep 8<sup>th</sup> grade student had a vision and made it happen! It is always amazing to experience students come up with ideas. Toys donated by U-Prep families were collected and the charity was at a loss for words at the support shown. The activity led to personal connections and more volunteer hours to make an additional special program happen. In the future, U-Prep ASB students plan to help sort and organize toys that are collected around the community where there is need. U-Prep is proud of its students and grateful for their continued generosity throughout the holidays!

The Drama Club is excited to announce that the Spring Play this year will be "She Kills Monsters: Young Adventurers Edition"

Agnes Evans is a completely average teen until the day she wishes her life was a little less boring. Her wish unfortunately comes true when her family, including her younger sister Tilly, dies in a tragic car crash. Agnes and Tilly were as different as sisters can be and as Agnes is cleaning and packing Tilly's room, she finds a module Tilly had written for the role playing game, Dungeons and Dragons, also known as D&D. In order to get closer to the sister she never really knew, Agnes embarks on her own adventure with the help of Dungeon Master Chuck to play the game as Tilly designed. As she delves deeper into her quest, the fantasy world and reality begin to collide and mix as Agnes searches to connect with Tilly and realizes how much of her sister she never knew and discovers a bit about herself along the way.

We are lucky this year that we will have a student assistant director, a senior, Nancy Lauerman. Performances will be the weekend of March 17th and we are in need of parent help with sets, costumes, and props. If you are available to help, please contact Brigid Dempsey at [bdempsey@suhsd.net](mailto:bdempsey@suhsd.net).

Happy New Year! U-Prep is off to a great start in 2023! Each of our teams have had tremendous success in their pre-seasons and are looking forward to league play!
