Superintendent/Principal's Message

Congratulations to the Class of 2017! **117** graduates walked the Marr Auditorium stage to receive their U-Prep diploma in one of the most historic and beautiful buildings in Shasta County. This year's ceremony was another wonderful celebration of an outstanding class, **85%** of whom met the University of California and California State University A-G admission requirements. It is also worth noting that **74%** of this year's graduating class were accepted to 4-year universities (private and public), and **97%** are entering community or four-year colleges this fall. This class also received over \$1,000,000 in scholarship money thanks to the many generous organizations listed on page 2 of this month's newsletter. The graduation ceremony hosted one alumni speaker, Bond Isheim – Class of 2013, and three graduate speakers: Joven Longee, Parker Swanson, and Skyler Leak. The messages each of our four speakers shared were exceptional and reflective of the positive impact the entire U-Prep school-community has had on their life trajectory, 6th through 12th grade. Each speaker conveyed a heart-felt relational message whose common denominator existed in the values of persistence and hard work, and the close-knit relationships that fueled motivation, self-efficacy, and the courage needed to take on new challenges. Following the ceremony, graduates were provided with a parent-organized Sober Grad event. A special thank you goes out to the parents who planned and orchestrated a safe venue for post-graduation festivities. Best wishes to our graduates on all future endeavors!

A round of applause to our Latin students who did exceedingly well on their National Latin Exams. 136,891 students from all 50 states and 16 foreign countries were administered an exam. The exam was administered in 3,195 schools, including 23 colleges and 18 elementary schools. On the 2017 exams, 52,554 (38.4%) test takers earned awards. At U-Prep, **55%** of the advanced Latin students (Latin II, III, & IV/V) earned an award, and **46%** of the students enrolled in Intro to Latin (Latin I course – 8th grade) earned an award! Please see page 3 for award details. Congratulations to our award recipients!

Moving forward, families can expect a summer letter to arrive at the end of July, a letter that outlines the opening of the school year. The letter will include information on before-school activities, including Arena Day and fall sport tryout information. In the meantime, our office will remain open throughout the summer, Monday through Thursday, 7:30am – 11:30am. Please don't hesitate to contact our office with any questions you may have.

Best wishes for an enjoyable and relaxing summer!

Who We Are - Our Vision

University Preparatory School is a small, grades 6-12, college preparatory school committed to university level preparation in fine arts, literature, languages, history, mathematics, science, and philosophy. Working together, University Preparatory School staff, parents, and community will offer students learning experiences needed to achieve their leadership and academic potential, to become creative thinkers, compassionate human beings, and ethical participants in a multi-cultural, democratic society. Students will be immersed in rigorous academics and meaningful extra-curricular activities and supported by a close-knit community of teacher/advisors, which will enable them to choose any course of post-secondary education.

THANK YOU!

On behalf of our students, University Preparatory School wishes to express sincere gratitude to all of our generous scholarship donors.

8th GRADE GRADUATION

On Friday May 26th we celebrated our 8th graders and seniors with wonderful graduation ceremonies. Matt Williams, our Junior High Counselor, did a great job organizing the 8th grade graduation. The well-rehearsed 8th grade graduates listened to excellent student speeches by Connor D. and Angeni W. All present were treated to a lovely rendition of the song Defying Gravity performed by Sarah R. Counselor Joe Maikranz gave us reflections on this year's 8th grade class. After the presentation of diplomas by Superintendent/Principal Shelle Peterson and Board Trustee Susan Saepanh the 8th grade graduates were off to celebrate with a bowling party.

HIGH SCHOOL GRADUATION

Kristen Haworth, our High School Counselor, did a masterful job of organizing the graduation ceremony for the class of 2017. Poignant and memorable speeches were given by graduating seniors Joven L., Parker S. and Skyler L. Bond Isheim, 2013 alum, gave an inspiring speech about what the seniors could look forward to in the future. The performance by the Concert Choir Seniors of the song "Rather Be" was beautiful and moving. Board Trustee, Mike Littau, assisted Mrs. Peterson in the presentation of the diplomas. Seniors were then off to an evening of games, prizes and amazing food at the Sober Grad party on campus. Thank you to our Sober Grad committee for all their hard work and for giving our seniors a safe and spectacular party to celebrate such a special moment in their lives. Thank you to all who contributed to these memories that will last a lifetime for our U-Prep students.

"Where Everyone Belongs"

Incoming 6th graders will have an opportunity to participate in a student only WEB (Where Everyone Belongs) orientation on August 8th. We are so excited that your 6th grade student will be joining us next year! This is going to be an exciting opportunity for your student to meet and bond with their classmates as well as get to know our campus before school starts. A pizza dinner will be served, and more information will be available as we get closer to August 8th.

Link Crew

All incoming 9th grade students are encouraged to participate in Link Crew activities. Link Crew is a high school transition program that welcomes freshmen and helps them to feel comfortable throughout their first year of the high school experience. Link Crew orientation will be on Friday, August 11th. More information about WEB and Link Crew will be included in the Superintendent/ Principal's summer letter.

Summer break is a perfect opportunity for your students to gain experience through paid or volunteer jobs, internships and other summer activities — pursuits that can also demonstrate a student's sense of responsibility to college admission officers. How can you help your students choose the most rewarding summer activities?

First, encourage students to talk to adults in their lives who can help them find activities that match their interests.

Next, share the following ideas and suggestions with your students as they begin the search for that perfect summer job or internship.

1. Follow a passion

Ask your students, "If you could do anything this summer, what would it be?" For example, a student who enjoys the outdoors and hiking could look into working at a summer camp or national park.

2. Get a taste of a future career

Advise students to experience the careers they hope to pursue. They can start by calling businesses and organizations related to their chosen field about summer jobs or [internships](#). Professionals in any career often go out of their way to help a motivated student, so even if they're not hiring they may have suggestions.

3. Create an internship

During a job search, students may come across a potential employer — someone who inspires them or to whom they'd love to apprentice — who just can't afford to hire them. One option is to offer to work for free. The job skills gained may be worth their weight in gold.

4. Create a business

Motivated and mature students may find it rewarding to start their own small businesses. A bilingual student can advertise services as a language tutor, and a student with a green thumb can become an independent landscaper. Tell students to start lining up a few clients before the summer — and warn them that being your own boss can be hard work.

5. Think outside the box

Doing something constructive with summer vacation doesn't necessarily mean having a traditional job. Students who are really into performing or sports may want to devote their full-time energy to formally developing these skills. Encourage these students to look into special programs or [summer learning programs](#).

6. Volunteer

Spending a summer pitching in at a local charity is a great way for students to learn about life and themselves. It can help them develop leadership skills that will last a lifetime. Students can [volunteer](#) and discover how to help others — while helping themselves.

7. Read! Read! Read!

Whatever students decide to do this summer — work, volunteer, intern or study — encourage them to read. Reading opens students' minds and introduces them to other worlds while sharpening important skills such as comprehension and vocabulary. Before school lets out, challenge them to generate a list of summer reading based on recommendations from you, teachers and parents.

VISUAL ARTS

The Friends of Whiskeytown presented the second annual Plein Air Competition the weekend of June 2-4. Over 25 artists in all categories participated in this 3 day paint off, painting all aspects of Whiskeytown: water, animals, mountains, waterfalls and trees. Every artist created something beautiful from their own perspective and style. Two art students from U-Prep participated in the 18 and under category and were awarded for their work. Professional artists in our community awarded Hannah B. with a 2nd place award and \$100 worth of art materials. Chet C. received a 3rd place award along with \$25 worth of art materials. Aaron Brothers generously donated the art materials to this event. Congratulations Hannah and Chet!

2017 Panther Track & Field

Congratulations to U-Prep Junior High Track and Field! 6th grade boys, 7th grade girls and boys, and 8th grade girls and boys won their divisions, with 6th grade girls placing an admirable 2nd place, at the league finals on May 18, 2017. Congratulations to the following athletes for breaking or tying a school record. Ryan D. (2), Braxton F. (3), Caleb K., Kyle R., Jordan M.(3), Abby M.(2), Sofie R., Tatum W., Isaiah F. (2), Cooper M., Lexi L., Nyla S., Lori A., Tanner S., Ryan G., Sawyer B. (2), and Matt S.(2). Great job everyone. See you next Spring. ~Coach Michelle Johnson

U-Prep Junior High Athletics

www.uprepathletics.net

The June newsletter brings closure to the U-Prep school year and the sports seasons as well. U-Prep has made its mark yet again in athletic, making it a dominant force among junior high schools.

The mighty Panthers took home first place in 14 of the possible 16 categories during the 2016-2017 school year. Many of these titles came in the 6th and 7th grade levels ensuring that there will be many successful teams for years to come.

It is never too early to start preparing for next year. Our Arena Day and Physical Night will be on August 9, 2017 at U-Prep. Also driver applications will be available online by the middle of June. Paper applications will no longer be accepted.

On behalf of all the coaches at U-Prep we would like to say thank you for a great year. Enjoy your summer break!

Junior high track continued its dominance this year winning five of six divisions at the track finals held at Shasta College. The Panthers took home titles in all boys divisions 6-8th grade, and 7th and 8th grade girls. Our 6th grade girls took a respectable 2nd place. Great job, Panthers!!

"A" Boys and Girls

Baseball and Softball

Coches Kip Kinneavy and Nicole Amp

Our A softball and baseball teams had a tremendous amount of success this year. The baseball team finished a respectable 2nd place in league behind Sequoia, but knocked off the Spartans in a tense battle for first place in the Sequoia Tourney taking home a first place banner.

The A softball team swept the league opponents bringing home a first place league banner and finished 2nd in the Sequoia after a hard fought lose in the tournament championship.

The future is clearly bright for U-Prep's baseball and softball programs!

"B" Baseball

Coches Mike Dean

"B" Softball

Steven Schuster

Our "B" teams took on the very tough North Central Athletic League this year with a tremendous amount of success. The baseball team finished 7-1 on the season and took home a league championship.

Softball also finished 7-1 ensuring a league championship. Both programs showed the resiliency needed to compete at this level and navigate through the many rain outs we had this year. Congratulations, baseball and softball players!

MARK YOUR CALENDARS!

Arena Day/Sports Physical Night is August 9, 2017

U-PREP HIGH SCHOOL ATHLETICS

U-Prep was well-represented in the new league during the 2016-2017 school year. We brought home numerous Northern Athletic League titles, and had a number of all-league and all-section recipients. A few of our athletes have signed letters of intent to colleges to continue their athletic endeavors. The most recent signings are Kyle C. who is attending Chico State next year and will be competing in track & field. Ellis W. will play tennis for Holy Names University in Oakland. Congratulations to our athletes moving on to college athletics!

If you are interested in being a parent driver, applications will be available online near the end the June for next year. Arena Day/Physical Night is slated for Aug. 9, 2017.

Don't forget to check in the ASB office or the website for all our summer camps. Have a great summer, Panthers!

Track and Field

Head Coach—Kristen Reagan

Asst. Coaches—Aaron Casas, Kyle Gagnon

Kyle Anderson

The U-Prep Track and Field team once again dominated at the NSCIF Section Finals bringing home six medals and a new school record. Miles M. finished 5th in the 110 and 300 hurdles. Jordan R. placed 4th in the 100 meters and Nathan L. came in 5th in the 1600 meters. Angelique P. finished 5th in the Triple Jump and Kyle C. placed 2nd in the High Jump.

The Panthers have a new school record in the 4x400 meter relay. Runners Forrest M., Cooper O., Nathan L., and Michael C. finished in 6th place overall but ran a 3:31 to shatter the old school record. As usual, another outstanding year for the Panther Track and Field team.

Baseball

JV Coach: Brad Baker

Varsity Coach: Cory Reagan

U-Prep's baseball season ended on a positive note when the Varsity team knocked off the always tough Colusa Redhawks in round one of the NSCIF playoffs. A victory that resonated throughout the baseball community proving the baseball program is a force to be reckoned with.

All League selections for this year are senior Tyler F. and junior Kyle S. Trey F, winning pitcher in the playoff victory, took home honorable mention.

Boys Golf

Head Coach: Joe Maikranz

The boys' golf team finished out the regular season undefeated, bringing home an NAL title as well as the league MVP. Mark S. anchored a strong team and led his fellow golfers to a division II section title. James A. moved on to compete in the Nor Cal Playoffs as well.

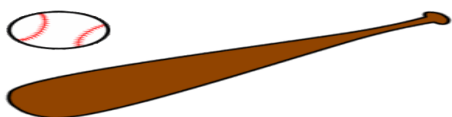

Softball

JV Coach: Matt Williams

Varsity Coach: Bobby Shufelberger

The Lady Panthers had an impressive first year in the NAL. Both programs showed promise for the future with the varsity program competing with the toughest of NAL opponents and the JV program winning many of the league match ups. This bodes well for the future ensuring that the Lady Panthers Softball Team will be able to compete for a league title in the coming years.

Boys Tennis

Coach—Andy Pire

The boys' tennis team finished the season a perfect 8-0 in league to take home the NAL league title. The future is bright for the Panthers as well with many underclassmen returning next year.

All League selections were Dart M. and Edward K.

2017-2018 SCHOOL YEAR BEGINS!

PARENT VOLUNTEER POLICY

Dear Parents,

For clarification purposes, school districts, schools, including charters, are not allowed to require "volunteer hours" or payment of a fee in lieu of performing volunteer hours as a condition of admission, enrollment, continued enrollment, sibling preference, attendance, participation in educational activities or receipt of credit or privileges related to educational activities (EC Section 49011c). However, U-Prep still requests – not requires - that parents perform 10 hours per school year as a means to strengthen school-community relations and assist in the development of school programs and services. Thank you for your continued support!
