

## **SPECIAL EDUCATION /STUDENTS WITH DISABILITIES**

We are dedicated to the belief that all students can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. U-Prep provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act (“IDEA”), Education Code requirements, and applicable policies and procedures of the Shasta Union High School District. These services are available for special education students enrolled at U-Prep. We offer high quality educational programs and services for all our students in accordance with the assessed needs of each student. U-Prep collaborates with parents, the student, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each student.

Pursuant to the IDEA and relevant state law, U-Prep is responsible for identifying, locating, and evaluating children enrolled at U-Prep with known or suspected disabilities to determine whether a need for special education and related services exists. This includes children with disabilities who are homeless or foster youth. U-Prep shall not deny nor discourage any student from enrollment solely due to a disability.
